

## ZR (2001-2005)

### PRICING INFORMATION

The prices shown on our website are per bush.

To get the total pack price you will need to multiple this price by the number of bushes per vehicle.

#### Bush Price x Qty Per Car = Pack Price

- PFF63-418 and PFF63-419 suit both the Upper and Lower engine stabilisers, hence why it is listed as 2 per car for each bush. One pack of each is required to fit both mounts.
- PFF63-416 fits manual PG1 type gearbox models only
- PFF63-415 fits manual R65 type gearbox models only
- Advisory - If fitting the Engine Stabilizer bushes (PFF63-418 or PFF63-418R and PFF63-419) to a diesel engined vehicle, an increase in noise and vibration is to be expected. This should be considered as a performance upgrade, not a standard replacement.

*In addition to the Road Series parts listed please check the Black Series website for other bushes suitable for this car that may be more suited to Track/Race use.*
