PRICING INFORMATION

The prices shown on our website are per bush.

To get the total pack price you will need to multiple this price by the number of bushes per vehicle.

Bush Price x Qty Per Car = Pack Price

- Powerflex Universal Exhaust Mounts are a worthwhile upgrade for any aftermarket exhaust system.
- Our unique high-temperature polyurethane will help eliminate excessive movement in the exhaust which could possibly cause the exhaust to hit the car body, the road, and even contribute towards cracking your exhaust manifold.
- They are 10% to 15% stiffer than the original rubber mounts, helping to hold the exhaust in position making them ideal for performance exhaust systems.
- Our range of universal exhaust mounts will fit most vehicles. Please click on the fitting instructions tab for each mount to see a product diagram and dimensions. A = Height, B = Width

In addition to the Road Series parts listed please check the Black Series website for other bushes suitable for this car that may be more suited to Track/Race use.
