

## ZS (2001-2005)

### PRICING INFORMATION

The prices shown on our website are per bush.

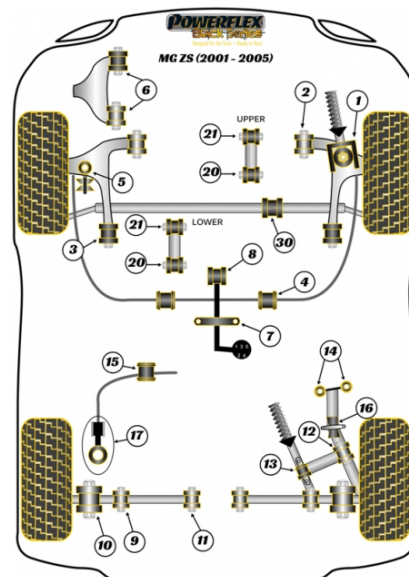

To get the total pack price you will need to multiple this price by the number of bushes per vehicle.

**Bush Price x Qty Per Car = Pack Price**

#### Notes

- Advisory - If fitting the Engine Stabiliser bushes (PFF63-418 and PFF63-419) to a diesel engined vehicle, an increase in noise and vibration is to be expected. This should be considered as a performance upgrade, not a standard replacement.
- PFF63-418 and PFF63-419 suit both the Upper and Lower engine stabilisers, hence why it is listed as 2 per car for each bush. One pack of each is required to fit both mounts.

*In addition to the Black Series parts listed please check the Road Series website for other bushes suitable for this car such as engine or transmission mountings.*

#### FRONT LOWER SHOCK MOUNT

Qty Per Car **2**
