

## 900 (1983-1993)

### PRICING INFORMATION

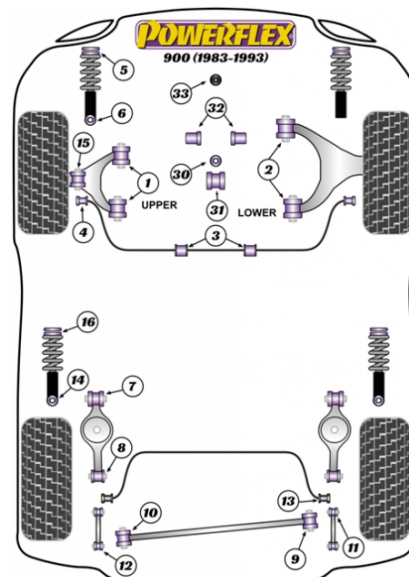

The prices shown on our website are per bush.

To get the total pack price you will need to multiple this price by the number of bushes per vehicle.

#### Bush Price x Qty Per Car = Pack Price

- PFR66-418 and PFR66-419 are supplied with two different internal diameter crush tubes. This is due to a change from imperial to metric bolts on the Saab 90/99/900 models from 1975-1987 and Saab 900 models from 1988-1993 models.

*In addition to the Road Series parts listed please check the Black Series website for other bushes suitable for this car that may be more suited to Track/Race use.*
